Sponsoring a Sanctuary Horse

Our Sanctuary Horses will rarely be available for adoption because of age or special needs. They are often in need of special care that may include extra feed, a special diet, supplements, medication, extra veterinary and dental care, and special farrier services.

Maintaining and caring for these horses is extremely rewarding, and it is also an expensive and time-consuming endeavor. Any horse can be sponsored, but our sanctuary horses need you the most!

Our sponsorship program is for those who want to help us in our rescue efforts, and become more involved in a horse's life without actually adopting the horse. A sponsor may give a one-time gift or may pledge a monthly amount to help us in the care of that horse.

Sponsors will receive

- ★ a photograph of "their" horse
- ★ a certificate of sponsorship
- ★ a starfish pin
- ★ Monthly updates (monthly sponsors only)

Sponsors are welcome to come out and

visit their horse (but please call for an appointment.) We would like to acknowledge you on the web site, but this is up to you.

We take our sponsors seriously, so we ask that once you decide to become a sponsor, you take this commitment seriously also. But please do not take on more of a commitment than you can afford!

You may pledge *any* one-time amount or be a monthly sponsor.

Guidelines for Monthly Sponsoring

\$10/mo	Friend of the Horse
\$25/mo	Horse Lover
\$50/mo	Horse Rescuer
\$100/mo	Starfish

There is no obligation—you can discontinue your sponsorship at any time.

Choose the horse you wish to sponsor or we can pick the one we think is in the greatest need.

Be someone's angel! If you would like to sponsor a WRERR horse, please fill out and submit a Sponsorship form (see links to forms on Our Horses page).

SPONSORSHIPS MAKE GREAT GIFTS!
